

Robert W. Van Kirk

Senior Scientist, Henry's Fork Foundation
Professor Emeritus of Mathematics, Humboldt State University

P.O. Box 550

Ashton, ID 83420

email: rob@henrysfork.org or rwv1@humboldt.edu

Phone: (208) 652-3567

Fax: (208) 652-3568

EDUCATION

- **Ph.D. Mathematics**, 1995. University of Utah, Salt Lake City, UT
 - Emphasis: mathematical biology
 - Dissertation Title: *Integrodifference Models of Biological Growth and Dispersal*
 - Advisor: Mark A. Lewis
- **M.S. Environmental Systems**, 1990. Humboldt State University, Arcata, CA
 - Emphasis: mathematical modeling
 - Thesis Title: *Black-footed Ferret Population Dynamics: Use of Simulation Modeling to Investigate the Effects of Stochasticity, Habitat Geometry and Dispersal*
 - Advisor: Roland H. Lamberson
- Graduate study, mathematics and atmospheric science, 1985–1986, Colorado State University, Ft. Collins, CO
- **B.A. Mathematics**, 1984, *magna cum laude*. Humboldt State University, Arcata, CA
 - Emphasis: applied mathematics

PROFESSIONAL POSITIONS

- Senior Scientist, Henry's Fork Foundation, 2013–present
- Professor of Mathematics, Humboldt State University, 2012–2013
- Associate Professor of Mathematics, Humboldt State University, 2008–2012
- Associate Professor of Mathematics, Idaho State University, 2005–2008
- Visiting Scholar (sabbatical), Idaho Water Resources Research Institute, 2005–2006
- Assistant Professor of Mathematics, Idaho State University, 2000–2005
- Adjunct Assistant Professor of Mathematics, Idaho State University, 1999–2000
- Visiting Instructor in Mathematics, Humboldt State University, 1998
- Research Director, Henry's Fork Foundation, Ashton, ID, 1994–1998
- Graduate Research Fellow, University of Utah, 1994
- Graduate Teaching Assistant, University of Utah, 1991–1993
- Lecturer in Mathematics, Humboldt State University, 1990–1991
- Instructor of Mathematics, College of the Redwoods, Eureka, CA, 1990–1991
- Graduate Teaching Assistant, Humboldt State University, 1989–1990
- Graduate Teaching and Research Assistant, Colorado State University, 1985–1986

AWARDS AND HONORS

- Award for “contributions to watershed science,” Friends of the Teton River, 2016.
- Professional Award “for a career dedicated to protecting and restoring the upper Snake River,” Trout Unlimited Western Water Project, 2014
- R.L. Wallace Native Fish Conservation Award, Idaho Chapter American Fisheries Soc., 2008
- Conservation Award, Henry’s Fork Foundation, 2005
- Best Professional Paper, Idaho Chapter American Fisheries Society Annual Meeting, 2004
- Award of Merit for service to Idaho Chapter American Fisheries Society, 2004
- Outstanding Teaching Award, Mathematics Department, University of Utah, 1992
- First Prize for Student Papers presented at Symposium on Population Biology, Pacific Division American Association for the Advancement of Science, June 1989

- Promotion/tenure and sabbatical review committees at departmental and college levels (4)

COURSES TAUGHT

*indicates course I developed

Graduate

- Methods of Applied Mathematics (year-long sequence, 2 times)
- Ordinary Differential Equations
- Partial Differential Equations
- Spatial Population Modeling*
- Model Fitting* (2 times)
- Environmental Systems Data Collection and Analysis Practicum (2 times)

Advanced undergraduate/beginning graduate

- Partial Differential Equations (2 times)
- Mathematical Methods in Hydrogeology* (short course for professionals, 2 times)
- Quantitative Hydrogeology (team-taught)
- Water Resources of Idaho*
- Applied Multivariate Statistics (2 times)
- Modern Statistical Modeling

Undergraduate

- Mathematics and Modern Society: Mathematics and Water Management* (honors)
- Geometry for Elementary School Teachers (2 times)
- College Algebra/Trigonometry/Precalculus (15 times)
- Applied Calculus (5 times)
- Calculus I/II/III (9 times)
- Introduction to Linear Algebra
- Ordinary Differential Equations
- Elementary Analysis (2 times)
- Elementary Statistics (2 times)
- Introductory Biostatistics (2 times)
- Linear Regression/ANOVA (6 times)

Remedial

- Pre-algebra and Arithmetic
- Beginning Algebra (2 times)
- Intermediate Algebra (5 times)

PROFESSIONAL SOCIETY MEMBERSHIPS

- American Fisheries Society (Idaho Chapter Secretary/Treasurer, 2002–2003)
- American Mathematical Society
- American Water Resources Association
- Geological Society of America
