

# Henry's Fork Project Fund

*Gifts You Make Today*

## Cash

The easiest, most common way for you to support HFF is with cash gifts - typically gifts by check.

## Securities

Stock that has increased in value is one of the most popular assets used for charitable giving, once it has been held for more than one year. Making a gift of securities to us offers you the chance to help HFF while realizing many important benefits for yourself.

## IRA Charitable Rollover

Under the extended charitable IRA legislation for 2013, if you are 70 1/2 or older, you can make charitable gifts now to HFF using funds from your individual retirement accounts (IRAs) without undesirable tax effects.

## Life Insurance

When you own a life insurance policy with accumulated cash value, you are essentially sitting on a large sum of money. When the original purpose for the protection no longer applies - such as to educate children now grown or to provide financial security for a spouse now deceased - your life insurance can be redirected to help support a worthwhile cause. One option is simply to name the Henry's Fork Foundation as the primary beneficiary.

## Tangible Personal Property

Many items of tangible personal property make suitable charitable gifts. Examples include art, automobiles, boats, fishing gear, antiques, and books.

## Real Estate

Your property opens the door to a unique giving opportunity. From townhomes to farmland, many types of real estate assets can be donated to HFF. You will be helping a good cause, enjoying tax benefits and potentially setting up a lifetime stream of income for you or a beneficiary.

## Charitable Lead Trust

If your estate is at a taxable level, a CLT is a powerful way to pass more to your heirs and make a gift to the Foundation. This is done by transferring assets into a lead trust from which HFF will be paid for a specified term. At the end of the term, the principal passes to your heirs with reduced tax liability.
